If you wish a large quantity of plants please write or telephone in advance. Your plants will then be dug with all the soil they can hold, carefully packed in cartons and ready when you call for them. You may depend upon getting sturdy well grown plants. If you are not familiar with the plants listed, and advise of the position in which you expect to use them, (sun or shade, moist or dry, wall or walk, etc.), I will be glad to make a good selection for you.

Prices quoted are for one year plants or generous divisions of old plants. Larger plants will be priced in proportion. Some rarities in small quantities not listed.
